ADDENDUM NO. 01
PECOS MUNICIPAL AIRPORT
TxDOT CSJ 19TBPECOS
Issued April 27, 2020

The scope for the Request for Qualifications issued April 20, 2020 as shown below will be deleted and replaced.

“Scope: Provide architectural services to:

1. Evaluate existing and new locations for proposed terminal building and parking lot.”

The revised scope will be:

“Scope: Provide architectural services to:

1. Provide architectural and engineering/design services, including construction administration, to construct a terminal building and a terminal building parking lot. Services will include evaluating existing and new location for proposed terminal building and parking lot.”
